We are pleased to announce that Heidi Ko has joined Third Coast as our Corporate Controller. In her role, Heidi will be a key member of the management team and will be responsible for our entire accounting function. Heidi will also be assisting in the development of our business activities in China and Southeast Asia.

Heidi brings over ten years of experience in public accounting in an industry very similar to Third Coast. Heidi graduated with honors from the University of Houston with a degree in accounting and is also a CPA. She speaks two dialects of Chinese fluently.
